## Stage 6 – So There!

Stage Designer: Lee

|                                                                                                                                                                                                                                    |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Scenario:</b> Last month ya'll decided to run right up into the bad guys face...so there!                                                                                                                                       |
| <b>Procedure:</b> At the signal, engage each visible target in tactical priority with at least 2 rounds each. Reloading in the open and shooting on the move is authorized (shooter's discretion). There is NO COVER on the stage. |
| <b>Muzzle Safe Points:</b> Floating 180 degree rule                                                                                                                                                                                |
| <b>Scoring:</b> Unlimited                                                                                                                                                                                                          |
| <b>Scored Hits:</b> 16                                                                                                                                                                                                             |
| <b>Start Position:</b> Standing straddling PVC pipe, IDPA weapon loaded to division capacity, holstered, and concealed.                                                                                                            |
| <b>Stop On:</b> Last Shot                                                                                                                                                                                                          |
| <b>SO Notes:</b> Bay 4 Targets: 8 IDPA, 2 Non-threats                                                                                                                                                                              |
