|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|---------------------------|
| <b>Scenario:</b> You gotta step on the gas as simulated charging bad guys threaten your life.                                                                                            |    |                           |
| <b>Start Position:</b> Standing at P1 (straddling PVC pipe).                                                                                                                             |    |                           |
| <b>Firearm Condition:</b> IDPA pistol loaded to division capacity, holstered, and concealed. PCC shouldered at low ready (45 degrees down), safety on, finger outside the trigger guard. |    |                           |
| <b>Procedure:</b> At the signal, engage all threats with at least 2 rounds each from each position of cover.                                                                             |    |                           |
| <b>Identify points of cover (PoC) and fault lines:</b> Refer to diagram below and identified in the walkthrough.                                                                         |    |                           |
| <b>Muzzle Safe Points:</b> Floating 180 degree rule                                                                                                                                      |    |                           |
| <b>Scored Hits:</b>                                                                                                                                                                      | 16 | <b>Scoring:</b> Unlimited |
